

**DO NOWT AND YOU GET NOWT  
GEOFF BROWN, THE LOCAL BORE  
YOU CAN'T IGNORE WRITES:**

It's certainly a sad week for this old fool as The Time Exchange is set to close its doors for a final time. Yes, that's right what had become an almost permanent fixture in the local area, serving its residents and the area itself can no longer maintain the level of funding needed for it to continue as a fixture community project.

We were launched in the year 2000 and rapidly became a hit with both local residents and organisations with our membership capacity often almost overflowing. In all, in over 22 years' service, our 564 individual and organisational members have donated over 45,000 hours' service to improving the local area.

I, for one, feel a massive loss, as no longer will **AN HOUR SHARED BE AN HOUR SPARED!**
